DEDICATION

Mr. Milton Truesdale

He is many things to many people. For the past 11 years, he has given to our school steadfast, conscientious service in the field of the sciences. Never too busy to set aside an hour to counsel a student, he has given freely of himself to Durand High School. We respect your honesty, we admire your perspective. In you, there is purpose and strength. We count ourselves favored who have known you so well.

It is with these thoughts in mind that we, the Senior Class of 1965, dedicate THE MEDINA to you, Mr. Truesdale.

Milt Truesdale

As Milt Truesdale retires from coaching in the Durand school system, the Durand Athletic Association honors him with this special presentation of the "BULLDOG AWARD."

We recognize the many contributions Milt has made to athletics in the Durand community, not only as a coach in the school system, but as a tireless worker in the Athletic Association, and in the promotion of athletics throughout the community.

Milt has many, many times agreed to "help out" in situations where no one else would do the job. The youth of this community have benefited for three decades from his commitment to the value of athletics. He has given of himself in so many ways to aid in the provision of athletics in Durand, that today the Durand Athletic Association has chosen to honor him with presentation of the "BULLDOG AWARD." Certainly no one is more deserving to be its initial recipient.

Congratulations Milt, and thank you!!

Presented by the
Durand Athletic Association

Our team is gratefull to you coach
for all the things you've done.

You've taught us how to push and score,
and boy, we sure had fun!

You yelled and cussed and took a stance
to show us how to do it.

It helped a lot, and we sure tried,
but then we usually blew it.

We've lost some games, tho most we won-
we tried to learn our plays-
you've shown us how to have some fun
and enjoy those muddy days.

For teaching us to play the game
and making us do better,
we're giving you, from all of us
this Jr. Tackle sweater.
